# WASTE TIRE FACILITY PERMIT

Facility/Permit Number:

50-TI-0645

**Legal Description of Facility:**

2772 Patterson Road, Riverbank, California 95367

**14. Findings:**

- a. This permit is consistent with standards adopted by the California Integrated Waste Management Board (CIWMB).
- b. The design and operation of the facility is in compliance with the Waste Tire Storage and Disposal Standards applicable to waste tire facilities.
- c. There has been no substantial change in the design or operation of the facility between January 1, 1990 and the date the application was filed. Therefore, in accordance with Public Resources Code Section 42812, an environmental review was not performed for the issuance of this waste tire facility permit.

1. The design and operation of the facility shall comply with the Waste Tire Storage and Disposal Standards contained in Title 14 CCR, Division 7, Chapter 3, Article 5.5 of the State Minimum Standards for Solid Waste Handling and Disposal. The operator shall also comply with all of the permitting requirements in Title 14 CCR, Division 7, Chapter 6, entitled "Permitting of Waste Tire Facilities."
2. In the event of a fire or other emergency that may have potential significant off-site effects, the operator shall notify the Board within 24 hours of the onset of the emergency.
3. Upon presentation of proper credentials, the Local Enforcement Agency, Board staff, or an authorized agent of the Board, shall be allowed to enter the permitted facility during normal working hours to examine and copy books, papers, records, or memorandum and to conduct inspections and investigations pertaining to the facility.
4. A copy of the current permit shall be made available upon request to the Board or an authorized employee or agent of the Board during an inspection of the facility.
5. The operator shall maintain a copy of the approved Emergency Response Plan at the facility. At the time of permit issuance the operator shall forward a copy of the approved Emergency Response Plan to the local fire authority. The Emergency Response Plan shall be revised as necessary to reflect any changes in the operations of the waste tire facility or requirements of the local fire authority. The local fire authority and the Board shall be notified of any changes to the plan within 30 day of the revision.
